New York Public Library Manuscripts and Archives	The New York Public Library just recently completed a three year project of organizing and preserving the records of the USSC. This is the largest and most extensive collection of USSC records in the country. The archives are not available on line but a description of the records they have can be searched on line. To search the archives use <a href="http://archives.nypl.org/">http://archives.nypl.org/</a>
