## Organizations

## Web Resources

URL	Name and description
<a href="http://www.civilwarartillery.com/">http://www.civilwarartillery.com/</a>	Civil War Artillery is a comprehensive website on civil war artillery maintained by author and photographer Jack W. Melton, Jr.
<a href="http://www.artilleryreserve.org/">http://www.artilleryreserve.org/</a>	The Artillery Reserve Organization was formed by federal Civil War artillery reenacting units to reenact the function of the light field artillery of the American Civil War era. It is a rich resource, with links to manuals, forms, flags, letters, and many other references. It also includes links to most of its two dozen member units.
<a href="http://www.ncwaa.com/">http://www.ncwaa.com/</a>	The National Civil War Artillery Association is an organization that runs training schools for artillery re-enactors throughout the country. It includes links to drill manuals, inspection procedures, and other useful references.
<a href="http://www.artillery.onlineheadquarters.net/">http://www.artillery.onlineheadquarters.net/</a>	The Civil War Artillery Compendium is a website containing a variety of information and links to artillery references. This site is intended to serve as an electronic archive of information and documents relating to Civil War artillery.
<a href="http://thomaslegion.net/americancivilwarartilleryorganization.html">http://thomaslegion.net/americancivilwarartilleryorganization.html</a>	Thomas' Legion is a general purpose Civil War website with useful information on Civil War artillery at this URL.
