

ESSENTIAL CIVIL WAR CURRICULUM

David Detzer has written a variety of things (under his own name and a couple of pseudonyms). His writings have included television and movie scripts, book and movie reviews, plus assorted articles and books. His books have focused mostly on presidential military decisions (including the Korean War, the Cuban Missile Crisis, and the Civil War)--how and why decisions were made, and what their immediate consequences were. He is the author of three books covering the period of the secession crisis of 1860-1861 up to the Battle of First Bull Run: *Allegiance: Fort Sumter, Charleston, and the Beginning of the Civil War*, *Dissonance: The Turbulent Days Between Fort Sumter and Bull Run*, and *Donnybrook: The Battle of Bull Run, 1861*.
