

ESSENTIAL CIVIL WAR CURRICULUM

H. Robert Baker (Georgia State University) is a Legal and Constitutional Historian. He is the author of two books on fugitive slaves and the courts, and his articles have appeared in the *Law and History Review*, *Common-place*, and the *Journal of Supreme Court History*. His scholarship treats both constitutional structure and change as well as the historical impact of narrative in forming narrative understandings of constitutional meaning. Professor Baker also writes about wine and contemporary culture for the blog *Tropics of Meta*.
